

POOJA – Android Developer

Mohali, India | 6284557764 | poojaoctober11@gmail.com

LinkedIn: <https://www.linkedin.com/in/pooja-yadav-134005296/>

GitHub: <https://pooja-110.github.io/>

PROFESSIONAL SUMMARY

Android Developer with hands-on experience building scalable and production-ready Android applications using Java and Kotlin. Strong expertise in Android SDK, REST APIs, Firebase, Room Database, image processing, and performance optimization. Experienced in developing and maintaining Play Store applications, implementing Bluetooth printer connectivity, and improving application stability. Familiar with Flutter development and AI-assisted coding tools like Cursor AI to enhance productivity and code quality.

TECHNICAL SKILLS

- Programming Languages: Java, Kotlin, Dart
- Mobile Development: Android SDK, Activities, Fragments, RecyclerView, Camera APIs, Bluetooth Integration
- Architecture & Storage: MVVM Architecture, Room Database
- Networking & APIs: REST APIs, Retrofit, JSON Parsing
- Backend & Authentication: Firebase Authentication, Firebase Cloud Messaging
- UI/UX Development: XML Layouts, Material Design, ConstraintLayout
- Tools & Version Control: Android Studio, Git, GitHub, GitLab
- AI Development Tools: Cursor AI (AI-assisted coding, debugging, and code generation)

PROFESSIONAL EXPERIENCE

Android Developer – C+A Global India | Jan 2024 – Present | Mohali

- Developing and maintaining production-level Android applications using Java and Kotlin.
- Implemented image editing and printing features including cropping, rotation, scaling, and filters.
- Integrated REST APIs and optimized application performance.
- Developed Bluetooth printer connectivity and communication workflows.
- Worked on performance optimization and bug fixing for production apps.
- Collaborated with cross-functional teams to deliver features on time.

Flutter Developer – C+A Global India | Sep 2025 – Present

- Contributing to Flutter-based UI development for cross-platform applications.
- Implementing reusable widgets and assisting with feature development.

INTERNSHIP EXPERIENCE

Android Developer Intern – ThinkNEXT Technologies | Jul 2023 – Dec 2023

- Developed Android applications using Java and Kotlin.
- Designed UI using XML and Material Design principles.
- Assisted in API integration, debugging, and lifecycle management.

KEY APPLICATIONS (PLAY STORE)

- HP Sprocket
- HP Photo Booth

- Kodak Step Touch
- Kodak Smile
- Kodak Classic
- Polaroid Snap Touch
- Polaroid ZIP App
- Polaroid Mint

EDUCATION

Bachelor of Computer Applications – Guru Nanak Dev University (2017 – 2020)

Project: Event Planning Web Application

12th – PSEB – 86% | 10th – PSEB – 76%

CERTIFICATIONS

- Android Development Using Java
- Android Development Using Kotlin
